Re: Weisberg v Click

Dear Mr. Weisberg:

As we previously advised you the summons in this case was served on June 6th, 1942. The defendant, therefore, has until June 12th to answer.

After this answer is interposed, we would like to proceed immediately with an application for judgment, for which we will require your affidavit. Will you, therefore, kindly make arrangements to be at this office on Monday or Tuesday of next week, so that we may draft the affidavit for yourself and an affidavit for Mr. Rogers.

Very truly yours,

PINTO & MARCANTONIO
